

4Plastic™ Plastic Repair Professional Starter Kit

The 4Plastic™ Plastic Repair Professional Starter Kit equips technicians with the essential tools required to perform high-quality plastic repairs using the proven 4Plastic process.

Designed for body shops, collision centers, and mobile repair professionals, this kit includes a complete selection of welding strips, tools, grinding discs, and accessories to efficiently repair a wide range of automotive plastics.

From structural repairs and bumper tab reconstruction to cosmetic refinishing, this all-in-one solution ensures consistent, professional, and repeatable results — both in the shop and in the field.
