

PURPLE AVS ABRASIVES

Performance Abrasives

Cut Faster. Sand Cleaner. Finish Better.

Purple AVS Abrasives by SEM® are engineered to deliver superior sanding performance across modern collision repair applications. Designed to maximize productivity and finish quality, Purple AVS combines advanced P-graded ceramic grain technology with optimized film-backed dust evacuation to reduce loading and improve consistency.

From aggressive material removal to ultra-fine finishing, Purple AVS supports every stage of modern repair processes, helping technicians achieve faster cycle times and professional results with every repair.

Advanced Vented System (AVS) Technology

The AVS multi-hole pattern improves airflow and dust extraction by efficiently removing debris from the sanding surface. This helps maintain consistent cutting performance while extending abrasive life.

When paired with dust extraction systems, Purple AVS helps improve shop cleanliness, visibility, and technician comfort.

PART NO. XXX = GRIT	PRODUCT	UOM	FEATURES	BENEFITS
SA31XXX	SEM AVS 2,75"x33.5" Perf-Roll Grip Multihole	1 Roll	Flexible sanding solution for contours and custom sheet sizes	<ul style="list-style-type: none"> Versatile size hand or machine application Excellent dust extraction
SA33XXX	SEM AVS 3" / 77mm Grip Disc	50 Disc Box	Precision sanding for small repair areas	<ul style="list-style-type: none"> Fast cutting Exceptional edge wear Consistent scratch
SA36XXX	SEM AVS 6" / 150mm Grip Disc	50 Disc Box	Advanced dust extraction and consistent cutting	<ul style="list-style-type: none"> Fast cutting Exceptional edge wear Consistent scratch Excellent dust extraction

NEW ASSOCIATED ABRASIVE PRODUCTS

SA330XXX	SEM 3" / 77mm Grip Disc	50 Disc Box	Perfect for spot repair and detailed sanding	Anti-clog stearate providing long life and consistent cut
SA350XXX	SEM 5" / 125mm Grip Disc	50 Disc Box	Versatile solution for tight working areas	Anti-clog stearate providing long life and consistent cut
SA360XXX	SEM 6" / 150mm Grip Disc	50 Disc Box	Ideal for general sanding and finishing	Anti-clog stearate providing long life and consistent cut

Premium abrasive grain technology delivers outstanding sanding performance by providing:

- ☑ Aggressive, controlled cutting action
- ☑ Longer abrasive life
- ☑ Reduced heat build-up
- ☑ Uniform scratch patterns
- ☑ Reduced rework and improved efficiency.

Why choose SEM Purple AVS Abrasives:

- ☑ Advanced dust evacuation technology
- ☑ Faster sanding performance
- ☑ Extended abrasive durability
- ☑ Consistent scratch patterns
- ☑ Improved technician productivity
- ☑ Designed for modern collision repair environments.
